ROSWELL PARK  
*day* of giving  
donate to what matters to you  
**OCTOBER 21, 2020**

Day of Giving is a 24-hour opportunity for you to make a huge impact on the lives of cancer patients by making a donation to the research area that means the most to you.

At Roswell Park, donations allow us to pursue and advance research, bring the latest treatment options to our patients and help them maintain the best possible quality of life.
